Welcome to Fatima Shaik and Chloe Hardy

Welcome to the first 2008 edition of Transcript. The Southern African HIV Clinician Society has undergone some significant changes with regard to its staff since the last edition. We bid farewell to Samantha Klusener Bezuidenhout and Venie Pillay, who both resigned at the end of 2007.

Welcome to **Fatima Shaik**, who joins the Society as General Manager and to **Chloe Hardy**, as the Office Manager.

Natalie Martyn continues as the Project Manager for the Atlantic Philanthropies grant. She also has responsibility for the Society Website and the Karabo Project. **Mick Graham** continues his role as the Development Worker. **Patrick** and **Jean Solan** continue in their roles as the Database and Finance Managers respectively. **Kerry Solan** continues to provide valuable database support.

We hope that you will call on the respective members of staff at the Society should you require any information or assistance.

Society website – www.sahivsoc.org

Thank you for continuing to use the Society's website as your point of reference for up-to-date, evidence based information on HIV/AIDS. We have recently placed an online survey on the website as a means of monitoring and evaluating its efficacy. Your feedback will greatly assist us in improving the usability and content of the site.

Please send us your comments: the survey can be found on www.sahivsoc.org/index.php/survey

Society Executive Committee - 2008

The Society's Executive Committee, at its meeting of 12 February, reluctantly accepted the resignation of Dr Dave Spencer from the Committee. Dave was a founding member of the Society and has continued to be active – lecturing on FPD courses throughout the region, leading on the Nutritional Guidelines group and the Nutrition Focus group. Many thanks to Dave for your sterling work on behalf of the Society and the profession.

The current membership of the Executive Committee is:

President: **Dr Francois Venter**

Members: **Dr Mark Cotton, Prof Des Martin, Dr Eric Hefer, Prof Gary Maartens, Dr Lulamile Jam Jam, Dr Farida Amod, Dr Steve Miller and Dr Steve Andrews**

Important information on CPD Accredited Meetings

All Society Branch and Focus Group meetings held in South Africa are accredited with the HSPCSA and SAMA.

It is extremely important that all attendees at these meetings enter all required information on the attendance register. **Failure to do so could result in CPD points not been awarded.** Further information will be forwarded to all Branch Coordinators.

The Society Guidelines

The Society has published, updated or is in the process of finalizing the following guidelines:

- **Nutrition:** Chapters 1&2 published in June 2007. Remaining chapters to be published in March 2008 and 2 posters to be produced.
- **Adult ART:** Guidelines to be published in March 2008. Poster to be produced.
- **PEP/ Sexual Assault:** Draft circulated for comment and guidelines to be published in the second quarter of 2008.
- **Cryptococcal Meningitis:** Guidelines published in December 2007, with poster.
- **Prisoners:** Draft circulated for comment and guidelines to be published in second quarter of 2008.
- **Renal Replacement Therapy:** Draft circulated for comment and guidelines to be published in third quarter of 2008.
- **Displaced Populations:** Guidelines completed in 2007 and available on www.sahivsoc.org

The Society would like to thank the following companies and organizations for their financial support in producing the above guidelines:

ASPEN, ATLANTIC PHILANTHROPIES, CIPLA MEDPRO, PFIZER, THE UNHCR

Guidelines planned for 2008: Fertility, Blood-borne infections, and Healthcare Workers. Consideration is also being given to producing guidelines on TB in HIV Infected Patients.

Services Available

FREE UNBIASED MEDICINES INFORMATION - FUNDED BY DOH

The Medicines Information Centre (MIC) is a unit in the Division of Pharmacology, Department of Medicine at the University of Cape Town's Faculty of Health Sciences. The MIC is dedicated to providing unbiased, up-to-date and well-researched drug information, in consultation with a

multidisciplinary healthcare team. To ensure this, we have access to the latest information databases as well as to clinical consultants from the University of Cape Town's Faculty of Health Sciences, Groote Schuur and Red Cross War Memorial Children's Hospitals and other national and international experts.

The Medicines Information Centre provides information on telephonic, faxed or e-mailed queries relating to:

- HIV/AIDS (Including post-exposure prophylaxis)
- Applied Therapeutics
- Drug Use in Pregnancy and Lactation
- Malaria Prophylaxis and Treatment
- Drug Use in Porphyria
- Clinically Important Adverse Drug Reactions
- Pharmaceutics
- Availability of South African and overseas medicines
- Drug Interactions
- Psychopharmacology
- Pharmacokinetics
- Drug use in special risk groups e.g. the elderly, neonates, immunocompromised patients, patients in renal and/or hepatic failure

The MIC operates from Mondays to Fridays 8.30am - 5pm. All queries to the Centre are documented, referenced, peer reviewed and stored for a period of five years. The centre is staffed by 3 specially trained drug information pharmacists who share 42 years of drug information experience.

For more information: www.mic.uct.ac.za.

NEED HELP? CALL 021- 4066829 OR 0861 100 531

We look forward to assisting all health care professionals at your facility with any medicine-related query.

GSK's Global Access Programme: enrol now for lowest ARV prices for unfunded/partially-funded patients

Members may access GSK antiretrovirals at not-for-profit prices for unfunded or under-funded patients by joining the GSK Global Access Programme. To enrol, request forms from Chloe Hardy at hardyc@sahivsoc.org or tel: (011) 341 0162. We will require your membership number in order to complete the relevant forms.

Note: A number of other organisations/societies also have agreements with the GSK's Global Access Programme.

Internet-based Discussion Groups

The Society currently operates 3, extremely successful, internet based discussion groups:

- **Pediatric Discussion Group (Manager/Moderator - Dr Leon Levin):** Assists healthcare professionals to resolve HIV-related clinical problems through the use of case studies. Difficult and/or interesting cases are e-mailed to group members who e-mail their responses to all participants. Once a case has been fully discussed, opinions are usually sought from overseas experts. The Discussion Group currently has over 850 subscribers/contributors. To join please send your e-mail address to Dr Leon Levin: leonlevin@54.co.za. You may subscribe directly on URL: <http://www.mylistmanager.co.za/cgi-bin/uls/uls.cgi?ulspop=1476>
- **Adult HIV Discussion Group (Manager/Moderator - Dr Francesca Conradie):** "Don't you ever long for those days when you had time to discuss difficult and interesting cases. Remember when working in a hospital setting you had time to attend M&M meetings. But now, you have a very busy schedule and other things have taken up your attention like practice management and debt collection.

We have formulated this case discussion format so in the few minutes that you have to spare in a week for academic pursuit you can access the latest case study. You will have an opportunity to put in your opinion. You can even send me some of your difficult cases and when the time is right I will post them. All you need to do is to send me your name, surname and email address and I will include you on the list."

If you wish to join this discussion group which has grown to 350 participants, please send your first name, surname and email address to adghiv@witshealth.co.za

- **Policy and Ethics issues in HIV Group (Manager/Moderator- Ms Marlise Richter):** The Discussion Group has now been operating for over a year and currently has over 250 contributors/subscribers. 8 case studies have been discussed, of which some have been written up for the Society's journal.

"In an era of failed development projects, and economic policies gone bad, I sometimes feel very lucky as a physician, since my experience in Haiti has shown me that direct services are not simply a refuge of the weak and visionless, but rather a response to demands for equity and dignity." - Paul Farmer

Have you ever wondered?

- Whether the AIDS epidemic in Southern Africa requires a different set of ethics?
- About the patient's dilemma when she has to choose between ARVs and losing her disability grant?
- Whether mandatory HIV-testing is the new panacea, or a ridiculous polemic?
- About dual loyalties when faced with manifestations of government AIDS denialism?
- About the regulation of traditional health practitioners and the implications for AIDS care?

Then join the policy and ethics online Discussion Group.

To subscribe, email Marlise your name, surname and email address to ethics.policy@gmail.com

To view past debates, see: <http://groups.google.com/group/policy-ethics>

A short on line survey on the future work of the Discussion Group has been placed on the Society's website www.sahivsoc.org

Nutritional HIV Focus Group

The group meets on alternative months, immediately prior to the Johannesburg Branch meetings, at the Glenhove Conference Centre.

The next meeting will be held Thursday 29 April, commencing at 16:00hrs. If you wish to join this discussion group, please send your first name, surname and email address to hardyc@sahivsoc.org

Please visit the website www.sahivsoc.org and complete the on line questionnaire on the future work of the Nutrition Group.
